Dear Parents/Carers

Re: School Lunches

We are really pleased to confirm that we are able to lower the cost of a school lunch to £2.92 from September 2024. As you know, we agreed a new contract with Hutchison Catering who have improved the catering provision at our schools and due to the higher uptake of school lunches we are now able to offer this lower price.

Children in Reception, Year 1 and Year 2 continue to receive these free of charge as a Universal Free School Meal from the Government and anyone in receipt of Pupil Premium will also receive these as a Free School Meal.

If you think your child may qualify for Pupil Premium which will allow for a Free School Meal together with additional funding for school to provide additional support to your child, please apply now:

ParentPay will be updated on the morning of Friday 19th July and will show any meals taken up to and including this date. Please can you ensure that you clear any outstanding amounts so that we are able to make the price changes on ParentPay in time for September.

Kind regards
