Wet Play Time – Donations Needed

Dear Parents and Carers,

I hope this letter finds you well. I wanted to inform you about a recent council meeting with the Key Stage One and Reception children. During the meeting, the school councilors expressed a desire for more games and activities to play with during wet play times.

In order to fulfill this request, we are reaching out to parents for donations of any unwanted games or activities that the children could enjoy during indoor wet play times. Examples of items that would be greatly appreciated include Uno cards, Top Trumps cards, comics, magazines, or any other age-appropriate games or activities.

We believe that providing students with a variety of games and activities to choose from will not only make indoor play time more enjoyable, but also help to foster creativity, cooperation, and problem-solving skills.

If you have any items that you would like to donate, please feel free to send them in with your child to class. Your generosity and support are greatly appreciated by both the students and staff.

Thank you for your consideration and for helping to make our students' indoor play time more fun and engaging.

Warm regards

Gemma Skurr

Discovery Learning Teacher & Infant School Council Leader
