Subject : Summer Holiday School Drainage Alteration Works
Saltergate Schools, Newby Crescent, Harrogate

Dear Sir/ Madam,

Allow me to introduce myself, my name is Daniel Binks and I am the Area Manager for Tom Willoughby Ltd who will be looking after the construction project at the above school during the period 22/7/24 - 3/9/24.

We are the framework contractor for NYCC and are carrying out the following works over the summer months for the benefit of the children at both Saltergate schools – Altering of the drainage system on site.

These drainage alterations WILL NOT affect your drainage in anyway as its only localised drainage solely for the schools.

We will be working normal hours from approx. 8-4.30pm and should not disturb you anymore than a bit of construction noise. We don't intend to be working any weekends.

Please note we will have a few deliveries of materials w/c 22nd July when site is set up and then some in the last week of august to remove the site set up.

We apologise for any inconvenience this may cause but rest assured we will do everything we can to limit the impact on the schools neighbour's whilst these works are being completed.

Please feel free to ring me between 8-4.30pm if you find yourselves being disturbed more than usual during this time.

My mobile number is 07964881886.

Many thanks for your anticipated co-operation whilst these works are being completed.

Yours faithfully

Daniel Binks
